

**CORRIGENDUM ANNOUNCEMENT ON
INTERIM RESULTS ANNOUNCEMENT FOR THE SIX MONTHS ENDED JUNE 30, 2017**

Reference is made to the announcement of the interim results of the Company for the six months ended June 30, 2017 (the "2017 Interim Results Announcement") in the Company's 2017 Interim Results Announcement.

The Company's diluted earnings per share for the six months ended June 30, 2017 derived from the 2017 financial statements is incorrect. The diluted earnings per share for the six months ended June 30, 2017 should be RMB0.12 (Beijing Yining) per share, which is different from the diluted earnings per share of RMB0.11 (Transaction Resulting in Diluted Equity) as disclosed in the 2017 Interim Results Announcement.

The difference of RMB0.01 per share is due to the fact that the diluted earnings per share for the six months ended June 30, 2017 should be calculated based on the diluted number of shares of 1,000,000,000 (Dilution Difference) instead of the basic number of shares of 1,000,000,000. The diluted number of shares is calculated based on the weighted average number of shares outstanding during the period, taking into account the effect of the Company's share repurchase program. The diluted earnings per share for the six months ended June 30, 2017 is calculated as follows: (Net Profit for the six months ended June 30, 2017) / (Diluted Number of Shares) = RMB0.12. The Company's 2017 Interim Results Announcement should be amended accordingly.

On June 14, 2017, the Company issued a correction notice to amend the diluted earnings per share for the six months ended June 30, 2017 from RMB0.11 to RMB0.12. The Company's 2017 Interim Results Announcement should be amended accordingly. The Company's 2017 Interim Results Announcement should be amended to reflect the corrected diluted earnings per share of RMB0.12. The Company's 2017 Interim Results Announcement should be amended to reflect the corrected diluted earnings per share of RMB0.12. The Company's 2017 Interim Results Announcement should be amended to reflect the corrected diluted earnings per share of RMB0.12.
